THE MEZCAL

Made by one family. Recognized by those who judge mezcal by its taste.

Mr. Mezcal is a family-owned, single-source brand from Santiago Matatlán, Oaxaca. Three generations of the family make it entirely by hand — no industrial blending plants, and no spirit bought on the market. Every bottle traces back to one palenque and its agave.

A 42% ABV artesanal mezcal, made slowly and carefully, has earned top honors at the competition. Connoisseurs actually watch.
